SUMMARY

Dedicated Equestrian professional with a proven history of success in Breeding, Training, and Showing Dressage horses, Sport Horses, Sport Horse Arabians, and Hunters and managing equestrian facilities

QUALIFICATIONS

I have been in the Equestrian industry since the age of 9, and am very passionate about this industry. I have ridden in most disciplines and have an extensive history in Dressage, H/J, Eventing, and Sport Horse with many Regional Championships and National Qualifications. I have ridden with Olympian Michael Poulin for the past 21 years, had extensive training under Jim Graham, Jimmy Woffard, Ralph Hill, & Ian Miller. I am looking to become part of a team that takes breeding and competing seriously and want to see their horses at the top! I do not compete to place well, I compete to WIN!

I am a quiet, though high energy person that gets the jobs done with enthusiasm and a true joy of just being around horses and horsemen and horsewomen.

I have also take reproductive courses with Karen Berk and spent time at Jose Davilla's Embryo Transfer facility in Ocala and have experience collecting stallions, A.I. work and I have a high knowledge in foaling and am very experienced in difficult births.

*USCTA Area III Rider of the Year

*USDF Region III Champion at Second Level

*USDF Bronze, USDF DSHB Champion

*Qualified for Sport Horse Nationals Four years in a row in Hunter U/S, Sport Horse U/S and In-Hand, Training Level and First Level.
